Midterm Exam Instructions

The Midterm Exam is scheduled for Thursday, October 15, 2020, 11:00 AM - 12:15 AM. This is a closed-book, closed-notes exam. The exam will address material covered in class up to (and including) the material covered in lecture #14 on Thursday, October 8, 2020. This also includes all homework problems related to that material (possibly on assignments that have not been graded yet).

Unless the COVID restrictions change before the midterm exam, it is planned that all students (including the distance-learning students) will take the exam at home (off-campus exam). SPECIAL INSTRUCTIONS FOR THE OFF-CAMPUS EXAM WILL BE SENT VIA EMAIL TO ALL STUDENTS BEFORE October 11, 2020.

The following items are NOT allowed during the exam:

- Computers (other than downloading the assignment and uploading your work to D2L)
- Cell phones (other than potentially scanning your work with your cell phone)
- Pre-programmed calculators
- Copies of text, equations, figures, or any other item

The following items are allowed during the exam:

- Non-programmed calculators
- one letter-size (8 ½” x 11”) page of paper ("Reference sheets")
  - The reference sheet must be turned in together with the exam (they will be returned to the student along with the graded exam). (Special instructions for the reference sheet in the anticipated case of an off-campus exam will be included in the email mentioned above).
  - The words "Reference sheet" and the student’s name must appear clearly legible on each sheet of paper.
  - Both sides of each reference sheet may be used and all items on the sheets, i.e. figures, equations, etc. must have been produced by hand by the student him/herself.
