

CHRONOLOGY OF EDUCATION

- 1982 – 1987: Charles University in Prague, Faculty of Mathematics and Physics
- High Honors
 - Prize of the University President
 - Majors and areas of specialization:
 - Quantum and nonlinear optics
 - Mathematical physics
- 1987: RNDr. (Rerum Naturalis Doctor)
Dissertation: Laser-light induced exciton dynamics
- 1988 – 1992 Postgraduate studies
Institute of Physics, Slovak Academy of Sciences
- 1992: PhD: Institute of Physics, Slovak Academy of Sciences
Dissertation, part I: Raman spectroscopy of superionic conductors
Dissertation, part II: Statistical mechanics of lattice models

CHRONOLOGY OF EMPLOYMENT

- 2020–present Professor
College of Optical Sciences, University of Arizona
- 2017–2020 Associate Professor with tenure
College of Optical Sciences, University of Arizona
- 2010–2016: Associate Professor
College of Optical Sciences, University of Arizona
- 2002–2010: Associate Research Professor
College of Optical Sciences, University of Arizona
- 1999–2002: Research Assistant Professor
Department of Mathematics, University of Arizona
- 1998–1999: Research Associate
Arizona Center for Mathematical Sciences, University of Arizona
- 1996–1997: Postdoctoral Associate
Supercomputer Computations Research Institute, Florida State University
- 1996–1996: Society of Non-Traditional Technology Fellow
Department of Physics, University of Tokyo
- 1994–1995: Nishina Memorial Foundation Fellow
Department of Physics, University of Tokyo
- 1988–2009: Research Scientist
Institute of Physics, Slovak Academy of Sciences
